

Sussex International Summer School Program-specific Form(s)

1. Sussex International Summer School Application.

Create an account at <http://www.sussex.ac.uk/iss/apply>. Follow the form to activate an email link and validate your account.

Application Tips:

- Enter your name exactly as it appears on your passport.
 - Your nationality refers to the country issuing your passport – it does not refer to your ethnicity.
 - Mark “Session 1 and 2” - UCEAP students must attend both sessions.
 - When choosing courses, be sure to note which courses have prerequisites and/or lab fees. You are responsible to pay the lab fees directly to Sussex. (A full load is 12 UC quarter units.)
 - Do NOT upload a “Language Certificate.”
 - Upload a transcript ONLY IF applying for a course with a prerequisite – the transcript needs to show that you have met the prerequisite – it can be your most recent UC transcript or any prior college-level transcript. Transcripts can be unofficial, but they must show the name of the college or university as well as your name. If the transcript does not show this information, then you must upload an official transcript, instead. (Courses with high school prerequisites do not require a high school transcript.) Note that Physics I does not have a prerequisite listed, so Physics applicants do not need to upload a transcript.
 - You can propose an Independent Research project in the Sciences or Psychology (other fields may also be possible). If Sussex Summer is able to arrange this project for you, it will replace one course. You cannot do the Research project in addition to taking a course at the same time during one session.
 - You will immediately receive an email from Sussex confirming receipt of your online application.
2. Sussex will email a conditional admission decision and an acceptance offer if you are accepted.
- You MUST respond to the acceptance offer email. If you do not want to accept the offer, please inform both Sussex and your campus EAP office.
 - You MUST pay the Application Fee to secure your place if you respond positively to the offer. It is a non-refundable fee of £150 (GB Pounds) that you pay by credit card online.
3. **Final Acceptance:** Sussex WILL NOT finalize your acceptance until you have completed all the steps above.
